

COMMUNITY BANK INTERNET BANKING

With Internet Banking, you now have the convenience of a bank that never closes! By signing up for this feature you can do more of your banking when you want to do it! You can have access to account information, check balances, see which checks have cleared, and transfer funds between your accounts, anytime 24 hours a day

Dear Customer:

We have received your request to join Community Bank 'Internet Banking'. To complete the process we need to have your Internet banking enrollment form signed and returned to the bank. (found on the bottom half of this letter). Upon receiving the completed and signed form, a unique password for your first time log into 'Internet Banking' will be mailed to you within 3-5 business days. Your initial User ID is your social security number.

With the User ID and password you will then be ready for first time log in to Community Bank Internet Banking. Understand that anyone you may give your User ID and Password to will have access to all of the Internet Banking Features attached to your accounts.

Please return the signed enrollment form to your nearest Community Bank Office.
